

MegaStretch Premium 23

Machine Grade Films

Product Description:

MegaStretch Premium is a five-layer cast machine film. It provides an excellent clarity, high strength & high elongation, quiet delivery with silent unwind. The high clarity of cast films makes it an excellent choice for applications for bar code scanning purpose. It is formulated with a state-of-art resin mixture, which provide one-sided cling and eliminates loads sticking together while transit.

Applications:

*Heavy Bagged Products, * Glass & Ceramics, * Fragile Items, * Extra Heavy Loads, * Transportation Industry
